Surgery Grand Rounds – “Pediatric and Adolescent Breast Disorders”

Presenter: Oksana Jackson, MD, Director, Pediatric and Adolescent Breast Program, Assistant Professor of Surgery, Department of Plastic Surgery, Perelman School of Medicine at the University of Pennsylvania

Learning Objectives:

- Review the spectrum of pediatric and adolescent breast disorders.
- Explain the multidisciplinary collaboration for the evaluation and management of pediatric and adolescent patients with breast disorders.
- Examine the surgical treatments for select breast disorders in this population.

Meet the Presenter:

Oksana A. Jackson, MD, is an attending surgeon in CHOP's Division of Plastic and Reconstructive Surgery and co-director of the Cleft Lip and Palate Program.

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Creighton University and Valleywise Health.

Creighton University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Creighton University designates this live activity for a maximum of 1 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement:

It is the policy of Creighton University and Valleywise Health to ensure balance, independence, objectivity and scientific rigor in all Creighton University and Valleywise Health jointly provided educational programs. All those in control of content are expected to disclose any and all financial relationships or affiliations with commercial interests.

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, Creighton University, Valleywise or their affiliates. An attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Disclosure Summary:

All those in control of content have disclosed that they have no relevant financial relationships with any commercial interest:

- Course Director: Rachel Maurice, MD
- Planning Committee: Salil Pradhan, MD| Angela Ibragimov, MD| Rachel Maurice, MD | Stephanie Perkins
- Speaker: Rachel Maurice, MD
