

Phoenix Children's

# Toy Drive

Phoenix Children's thanks our generous community in ensuring that every child admitted to the hospital over the holiday receives a gift.

**New, unwrapped** toys and gift cards will be accepted from toy drives held by community organizations and individual donors from **December 5 to December 17.**

These donations will be distributed to patients and families who find themselves at Phoenix Children's over the holiday season. They will also help sustain our ability to give toys to children in the hospital throughout the year to celebrate important childhood milestones including holidays, birthdays, treatment milestones, and to help kids through particularly tough days.

**Please read the following guidelines carefully in order to ensure the safety of our patients and a smooth donation experience.**

## Our Items of Highest Need

### Gift Cards

*"To most, this seems insignificant, but to our family...it was EVERYTHING! THANK YOU to the generous donors of gift cards! Spirits are lifted, financial burdens are lightened and hearts are filled with so much gratitude!" – A grateful Phoenix Children's parent*

**Denominations of \$10 & \$25 preferred:**

Amazon	VISA/MasterCard	Xbox

### Infant & Toddler Toys

Many parents find themselves experiencing their child's first days or years in the hospital and sometimes celebrate traditional milestones from their first smile to their first steps right here at Phoenix Children's. Help us ensure even our smallest patients feel the impact of our generous community in a big way.

### Teen Gifts

Adolescence is hard enough but being in the hospital as a teenager can be extra difficult. To assist you in shopping for teens, we've put together a wish list of items our patients are always asking for. Don't forget gift cards are also great for teens, as it gives them an ability to make choices for themselves!
