

Fast Facts

About Us

Phoenix Children's is one of the nation's largest pediatric health care systems and includes the state's only freestanding children's hospital. The growing pediatric health care system has provided world-class inpatient, outpatient, trauma, surgical, emergency and urgent care to children and families across Arizona for 40 years.

Center for Trauma Care

Arizona's only American College of Surgeons-verified Level 1 Pediatric Trauma Center

Expanding to Serve the Community

Phoenix Children's has several significant expansion projects on the horizon to provide greater access to pediatric care closer to home for families throughout the Valley. Planned projects through 2024 include: Phoenix Children's Hospital – East Valley, located inside the new Women's and Children's Pavilion at Mercy Gilbert Medical Center; Phoenix Children's – Avondale Campus, a freestanding emergency department and multi-specialty clinic; Phoenix Children's Hospital – Arrowhead Campus, a freestanding children's hospital located in Glendale; and several projects at Phoenix Children's Hospital – Thomas Campus, including a new office building, additional parking garage, the build-out of two patient floors and adding dozens of clinical exam rooms.
