Volunteers Needed Research Study

The Bubba Watson and PING Golf Motion Analysis Laboratory is seeking volunteers ages 7 through 44 who have not experienced any developmental issues with their growth, fractures to lower extremities or surgeries to lower extremities.

Volunteers must be able to:

- Walk independently for an extended amount of time
- Follow verbal instructions
- Bring or wear shorts, a tank top and/or sports bra (for appropriate testing attire)

The study can be conducted between 8 am and 4 pm during weekdays and will take **approximately two hours to complete**. There will not be any painful procedures, needles, or shots involved.

Please contact the Motion Analysis Lab at (602) 933-3090 or email motionlab@phoenixchildrens.com if you are interested in participating. For more information use the QR Code:
