

Animal-Assisted Therapy in Rehab

A video series that demonstrates using therapy dogs during therapeutic activities as part of a comprehensive rehabilitation program

Created by...

Ciara Fitzpatrick *PhD Occupational Therapy Midwestern University*

Mary Lou Jennings *Phoenix Children's AAT Program Coordinator*

John Dennerline *Videography*

Special thanks to Katie Appelbe *OTD* & Sara Cherapinsky *PTA*
& the AAT volunteers and their certified therapy dogs

The series is a product of Phoenix Children's
Animal Assisted Therapy (AAT) Program
