Care for musculoskeletal injuries or diseases and conditions impacting musculoskeletal function

Center for Spine Care

Pediatric neurosurgical and orthopedic surgery care for rapid diagnosis, treatment and fast healing for complex spinal disorders

Center for Trauma Care

Arizona's only American College of Surgeons-verified Level 1 Pediatric Trauma Center

Expanding to Serve the Community

Phoenix Children's has significant expansion projects underway to provide greater access to pediatric care closer to home for families throughout the Valley. Planned projects through 2024 include: Phoenix Children's Hospital - East Valley, located inside the Women's and Children's Pavilion at Mercy Gilbert Medical Center; Phoenix Children's - Arrowhead Campus, a freestanding children's hospital and multi-specialty clinic located in Glendale; and several projects at Phoenix Children's Hospital - Thomas Campus, including a new office building, additional parking garage, the build-out of two patient floors and adding dozens of clinical exam rooms.
