

SYMPOSIUM

Friday, October 18, 2024

12:15 pm – 4:30 pm

****SAVE THE DATE****

Location: Phoenix Children's Conference Center, Rm 102/103
2632 N. 20th Street, Phoenix, AZ 85006

Audience: Nurse Practitioners, Physician Assistants, Physicians,
Advanced Practice Provider Students & PC Nurses

The Advanced Practice Provider (APP) Symposium is an annual continuing education event welcoming nurse practitioner, physician assistants, physicians, nurses, students, and other health care providers in the valley and around the country who are interested in learning about the most current evidence-based practices in pediatric medicine. The quality and breadth of content is beneficial for individuals needing a thorough review of basic pediatric clinic information.

Specific topics for this year's symposium include:

Food Allergies

Voiding Disorders

Neonatal Jaundice

Head Shape/Size

Attention Deficit & Hyperactivity

Tongue Tie

By attending, you will be able to:

- Devise differential diagnoses for the specific patient presentations discussed.
- Construct therapeutic plans for the specific patient presentations discussed.
- Acquire enhanced knowledge for the specific patient presentations discussed.
